Incident Summary

Ofcr. Young responded to a call of a male subject possibly selling narcotics. Ofcr. Young contacted the subject, later identified as Beezley, who became uncooperative. Ofcr. Young utilized a takedown and elbow strike to take Beezley into custody. Beezley sustained a fractured right orbital, fractured nose and lacerations during the incident. Ofcr. Young sustained scrapes to both knees and soreness to his right elbow.

This incident was captured on Ofcr. Young's MVS (6/4/16 @ 1516 hours). Two civilian witnesses observed the incident. I responded to the scene and interviewed Beezley at the hospital. I reviewed the related reports along with Ofcr. Young's MVS and determined this use of force was within department policy.

Sender's Instructions: Complete

Recipient's Comments/Response: Takedown and elbow strike to a suspect who was uncooperative, assumed a fighting stance and reached out for the officer after being warned several times not to do it. The suspect continued to resist after being taken to the ground and only stopped resisting because he was incapacitated.
